Bialystok has evolved as a place, which is the melting pot of different nations, religions, cultures, customs, and traditions, where the occidental rationalism meets the oriental mysticism. It has become an example of the integration of ethnic and religious groups, a meeting place for Poles, Belarusians, Jews, Lithuanians, Germans, Russians and Tartars. It is also the biggest center of the Orthodox Church in Poland. Protestants, Muslims and Buddhists have their organizations here as well. From ages, people of different culture, religion and nationality live here together. This created the specific atmosphere of this city, based on openness, friendliness and hospitality.

MISREPRESENTATION

Misrepresentation is a serious breach of the *IFBB Code of Ethics* and occurs when an “official” of a National Federation deliberately misrepresents the number of Athletes and Delegates so as to obtain free-of-charge accommodations, meals, onsite transportation, access to the Prejudging, Finals and Farewell Banquet and other amenities at the expense of the Organizer.

Part of this misrepresentation may be a false claim that a person is an Athlete only to have that so-called Athlete status but fail to officially register as a competitor at the Weigh-in or, once having officially registered, fail to compete.

Any National Federation found guilty of misrepresentation will be immediately disqualified from the Championships and will be fined an amount equal to the Special Package Rate for each person involved.

MEDICAL WITHDRAWAL

Once officially registered, no Athlete may withdraw from competition without the prior approval of the IFBB Chief Judge. It is not acceptable for a National Federation to unilaterally withdraw an Athlete without the prior approval of the IFBB Chief Judge, who has the right to verify the reason for the withdrawal.

Any National Federation that fails to seek the prior approval of the IFBB Chief Judge before withdrawing an Athlete shall, for that Athlete’s non-participation, be fined an amount equal to the Special Package Rate.

FAILURE TO COOPERATE

Failure to cooperate with the Organizing Committee is contrary to the *IFBB Code of Ethics* and may result in disciplinary measures being taken by the IFBB against the offending National Federation.

PRELIMINARY ENTRY FORM

The deadline date for the Preliminary Entry Form is **August 15th, 2018**. National Federations must return the Preliminary Entry Form to the Organizing Committee as soon as possible but not later than deadline date, confirming your federation’s intent to participate. FINAL ENTRY FORM

The deadline date for sending the Final Entry Form is **Monday, October 15th, 2018**. National Federations must submit the actual names of all Official Participants (Athletes by category and Delegates, including judges). You must also include flight arrival and departure information. In order to guarantee hotel accommodations for your team, the Final Entry Form must be returned not later than the deadline date. Your co-operation is essential to ensuring your accommodations at the hotel and adequate transportation for your team.

The National Federations must send the room assignments (who wants to share a room with someone (please name the room-mates) and who wants a single-room) in the Final Entry Form.

FINAL ENTRY FORM

If a National Federation fails to respect the deadline written on the Final Entry Form, each "Official Participant" from that federation will be required to pay EUR €450 (in a double room) or EUR €500 (in a single room) instead of the IFBB Registration Fee.

It is the responsibility of the President or General Secretary of each participating National Federation to ensure that all National Team members (athletes, delegates, extra delegates) are fully aware of the rules and regulations governing participation at these Championships, to include the statements contained within this Inspection Report.

If any of your athletes and/or delegates are travelling and arriving separate from your Team Manager or Chief Delegate, you must ensure they are familiar with the rules and regulations contained within the Inspection Report.
